

Kan et it-system være en god kollega?

Rikke Terp, klinisk domæne rådgiver, Systematic

E-sundhedsobservatoriet okt. 2016

Hvad er en god kollega?

Det skal være nemt at være Borger

Det skal være nemt at være Bruger

Det skal være nemt at optimere kvalitet og effektivitet

- Systemets åbenhed og samspil med 3. partsløsninger
- Brugervenlighed
- Beslutningsstøtte

En god kollega fra generation 4

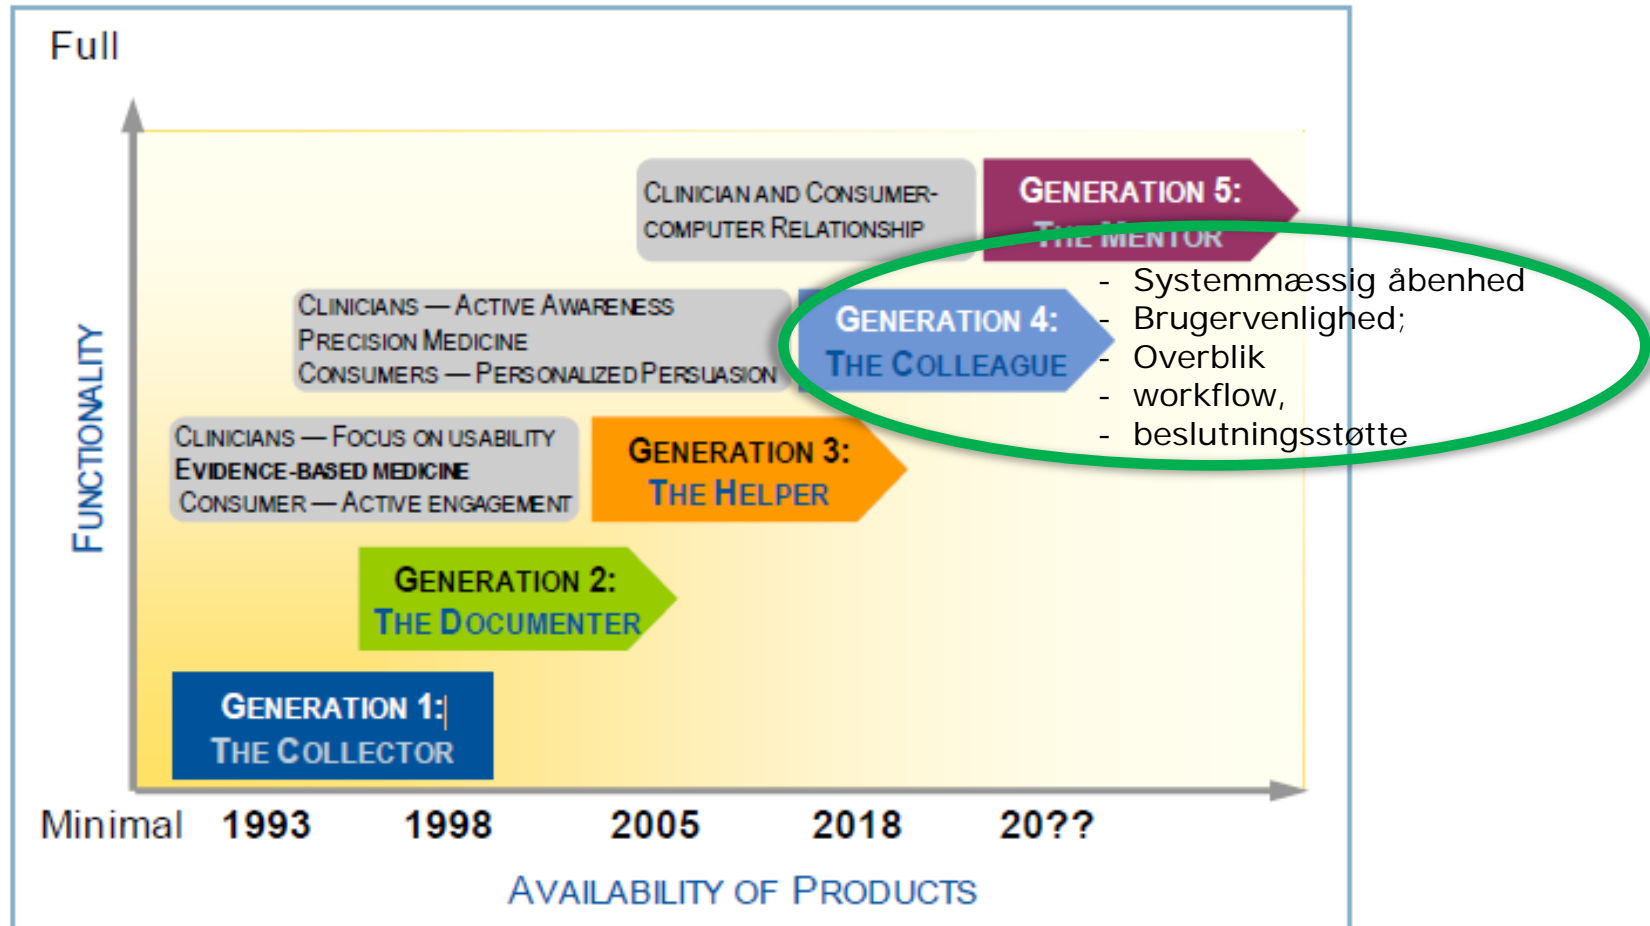

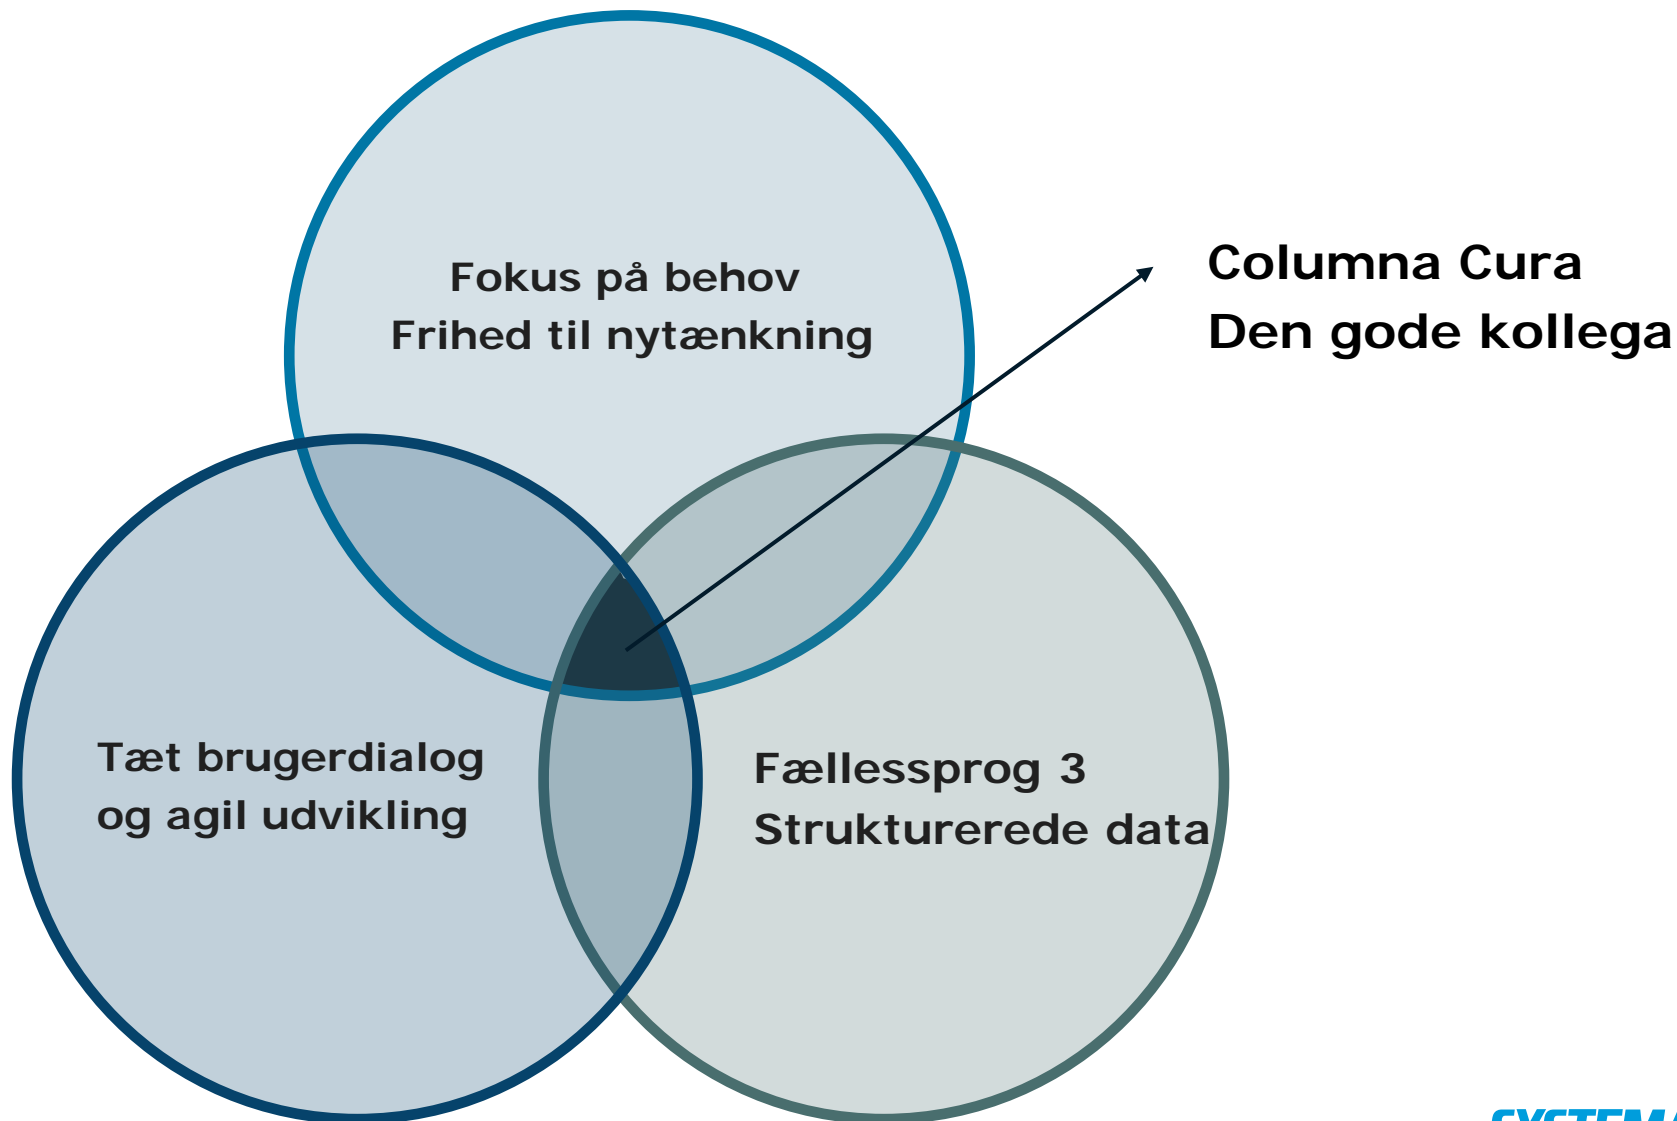

Figure 2 - Five Generations of EHRs (source Gartner)

Hvordan kommer vi derhen?

Den gode kollega

Columna Cura

- Dedikerede overblik
- Visuelt overblik

The screenshot shows the Columna Cura mobile application interface for patient Trine Kirkegaard Svendsen. The interface is organized into several sections:

- Besøg idag (Visits Today):** A list of scheduled visits with status indicators.
 - 07:00 - 09:00: Completed (green checkmark).
 - 07:00 - 15:00: Rengøring (Cleaning) - Pending (red circle with slash).
 - Sårbehandling (Wound treatment) - 06.10.16 22:33.
 - Rengøring (Cleaning) - 06.10.16 22:33.
 - 21:00 - 23:00: Pending (red circle with slash).
- Henvendelser (Requests):** A list of requests from family members.
 - Pårørende (Family member) - 06.10.16 23:07: Datter fortæller at hendes mor er meget besværet af dyspnøe og derfor har behov for mere hjælp. Pleje og Praktisk Hjælp (PP og PH) SEL § 83.
- Opgaver på borgeren (Tasks for the patient):** A list of tasks assigned to the patient.
 - Opgave for faggruppen Sygeplejerske (Task for the nursing team) - Hverdagsændring: spise og drikke - opføl... (Daily change: food and drink - follow-up) - 08.10.16 13:32.
- Vigtige observationer (Important observations):** A list of important observations.
 - 05.10.16 13:30: Orientering vedrørende smittefare: MRSA (Orientation regarding infection risk: MRSA).
- Observationer for dig, seneste 3 dage (Observations for you, last 3 days):** A list of observations.
 - 09.10.16 13:33: Planlagt måling af vægt (Planed weight measurement) - Vægt (kg): 55.
 - 08.10.16 13:32: Hverdagsændring: spise og drikke - opfølgning ved sygeplejerske (Daily change: food and drink - follow-up by nurse).

- Visuelt overblik
- Workflows/navigation
- Viden
- Mobilitet

The screenshot displays the Columna Cura mobile application interface for patient Trine Kirkegaard Svendsen. The interface is organized into several key sections:

- Besøg idag (Today's visits):** A vertical timeline showing scheduled activities. From 07:00 to 09:00, a visit is marked as completed. From 07:00 to 15:00, tasks include 'Rengøring' (cleaning) and 'Sårbehandling' (wound care), with a timestamp of 06.10.16 22:33. A task for 'Rengøring' is also listed with a timestamp of 06.10.16 22:33.
- Henvendelser (Inquiries):** A section for patient inquiries, featuring a call icon and a message from a parent dated 06.10.16 23:07, stating that the patient's mother is very distressed and needs more help. It references 'Pleje og Praktisk Hjælp (PP og PH) SEL § 83'.
- Opgaver på borgeren (Tasks for the patient):** A section for tasks assigned to the patient's care team, including a task for the nursing team ('Opgave for faggruppen Sygeplejerske') regarding daily care and monitoring, dated 08.10.16 12:22.
- Vigtige observationer (Important observations):** A section for critical observations, with a note from 05.10.16 13:30 regarding orientation and MRSA infection.
- Context Menu:** A menu is open over the tasks, offering actions such as 'Tag opgave' (Take task), 'Marker som håndteret' (Mark as handled), and 'Flyt opgaven til anden faggruppe' (Move task to another team).
